II. Game Time

1. A regulation game will last 6 innings. No inning shall start after 1 hour 30 minutes from the start of the game. Notification of the possible last inning may be given to both coaches when approaching time limit, but it is coaches' responsibility to monitor time limit. Exception: Tournament games will be played until a winner is determined.
2. Games will start at the time they are scheduled. There is no grace period.

5. If a team only has 8 players, they do not have to take an out for the 9th or 10th batter in the line-up. ***Players that show up late to the game, or leave early from a game, may be added at the end of the batting order, or subtracted from the batting order without penalty.***
6. In case of an injury during the game, the team may finish that game without forfeiting if they started with 8 players.
7. **15/10 Run Rule:** At the end of 4 complete innings, if a team is ahead by 15 runs, the game is over and that team wins. If a team is ahead by 10 runs at the end of 5 or more complete innings, the game is over and that team wins.
8. Teams wishing to warm-up before a game should be at the field early so as not to delay the game. The home team must complete any on-field warm-up 15 minutes prior to game time. The visiting team is given the courtesy of using the field for warm-up 15 minutes prior to the start of the game.
