Thursday, Aug 11th: Concert In The Park: Palmyra Eagle Community Band

The Palmyra-Eagle Community Band brings programs that feature a real slice of home town band music. Music to put a Smile on Your Face and the Tap in Your Toe. Our band numbers over 50 dedicated musicians that perform year round, from our first concert on Fat Tuesday through our Christmas concert the first Sunday in December. Our performances include selections from the mid-nineteenth century to present day. They include Sousa, Civil War, light classical, opera, 40s, polkas, marches, Dixieland, Broadway, show music and much more. We take pride in developing themed concerts based on a historical event, such as World War II, the Civil War or a period of music such as Sousa, the 40s and American Pops.

Thursday, Aug 18th: Family Fun Night

Co-Sponsored by Irvin L. Young Library

INFORMATION & EVENTS

Let Your Voice Be Heard

The Whitewater Common Council needs your ideas and input on City issues. The City launched Polco, a program to help gather that information. Polco is a platform designed to increase civic engagement, improve government transparency and inform municipal governments of constituents input which, in turn, will help better guide public policy.

We Want To Hear From YOU

SIGN UP TODAY AND SHARE YOUR OPINION ON TOPICS IMPORTANT TO OUR COMMUNITY

POLCO IS A PLATFORM DESIGNED TO INCREASE CIVIC ENGAGEMENT, IMPROVE GOVERNMENT TRANSPARENCY, AND INFORM MUNICIPAL GOVERNMENTS OF CONSTITUENTS' INPUT WHICH, IN TURN, WILL HELP BETTER GUIDE PUBLIC POLICY.

POLCO.us

You can create an account at Polco.us. Once signed up, you can share your thoughts on new ideas and vote on policy topics facing the common council for the Whitewater area. The Polco system uses the local voter database verification to break down responses by those living in Whitewater and those living outside of the City. Polco is committed to a strict privacy policy and a resident's detailed data and votes are never shared with the City or given to a third party. Visit the City of Whitewater's website for more information. Your opinions may help impact the important decisions made in Whitewater!

Summer Tennis Program

Whitewater Parks and Recreation is yet again partnering with Premier Tennis and Fitness to provide high quality tennis classes to Whitewater area children and adults. Skills that will be covered consist of serving, forehand, backhand, and footwork, along with

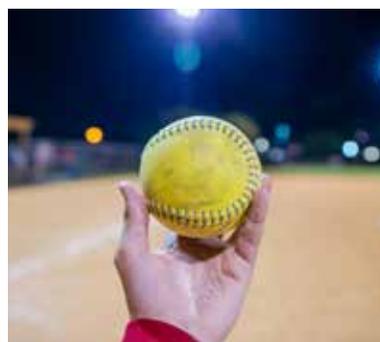

learning the rules of the game and how to score. All equipment will be provided. The program will be overseen by the Tennis Director of Premier Tennis and Fitness, Barry Hankel. Barry Hankel is a former three-time all-conference Division 1 tennis player at UW-Green Bay, and he has taught tennis for 14 years. He has had well over a hundred students qualify for the state tournament during his teaching days and has taught many players that have gone on to play all levels of college tennis. All classes will be on Saturdays at Whitewater High School. If needed, make up days will be on scheduled Fridays. At the conclusion of each session, there will be a Park and Recreation tournament compiled of all eight communities partnering with Premier Tennis and Fitness. This tournament will be held at the PTF facility in Janesville. This is a great opportunity to play at Premier Tennis and Fitness and to show what you have learned throughout the session. Prizes will be given out to the Park and Recreation program with the most points accumulated during the tournament. Individual prizes will be given out as well to the winners of their group. Premier Tennis and Fitness is located at 3410 Bell Street in Janesville (behind Target).

WYFL 8-on-8 Flag Hybrid Football

Attention 4th & 5th Graders, sign up today for the WYFL's 8-on-8 traveling flag football team. If your child is interested in learning more about how to play football, our Hybrid flag football league is a perfect way to learn the sport, without the fear of injury from full contact. This is still flag football, just with pads and a helmet. Your child will receive full pads, a helmet, a jersey and flags, so they can get used to being athletic with the extra weight of the pads and a helmet. Our goal is to provide a positive, fun, and safe environment that allows our athletes to learn fundamentals, develop skills, and build character, good sportsmanship, self-esteem, discipline, and leadership. We build a foundation for success with a "win the day" goal mentality for personal and team development that will carry with them for life. Our program is not about focusing on wins and losses. Our expectation for every player is simply to listen and give their best effort so they can grow stronger physically and mentally every day. Football is an outstanding sport to build these great character traits. Every season is filled with peaks and valleys that they will experience together with their teammates. We hope this bond and the friendships that are created last into high school and far beyond.

Games will be played on Saturdays at Whitewater High School, UWW Perkins Field, and other communities participating in the league. Due to high demand and scheduling concerns, we must limit player enrollment. First come, first serve. The Registration fee is \$150. Don't wait, sign up today!

Practice Times: TBD. Generally starting the first week of August

Grades: 4th-5th

Deadline: August 1st, 2021

Fee: \$150. Registration is currently open with no fees due at time of sign up.

PARKS AND RECREATION

6th-8th Grade Tackle Football

The Whitewater Youth Football League (WYFL) offers tackle football for students in 6th to 8th grade in the Whitewater Unified School District. Ideally a separate team will be formed for each grade level. Final determination of teams

will be based on enrollment which will be finalized after the registration deadline of June 18th. The tackle teams will once again be part of the Badger East Youth Football League and will play both its home and away games on Saturdays. Practices are scheduled per the coaching staff, typically at least 4 days per week prior to school start and 3 days per week thereafter. Practices will take place at the Whitewater High School on the back fields at times yet to be determined. The Registration fee is \$200. Register for the grade you child will be going into in September.

Practice Times: TBD. Generally starting the first week of August

Whitewater Traveling Basketball Club

The mission of the Whitewater Traveling Basketball Club is to educate Whitewater's youth in basketball skills and to promote good sportsmanship, teamwork, and physical fitness in partnership with the athletes, coaches, families, school district, and community. We are committed to elevating the skill level of each athlete in the program, and to nurturing a sense of commitment to the team and loyalty to each individual teammate within the framework of a competitive athletic environment. The Whitewater Traveling Basketball Club offers basketball for boys and girls. Grade level teams are organized by volunteer coaches and teams practice twice a week, with each practice being 90-120 minutes. The season varies based on the age level of the child with games played on Saturdays. A majority of teams will also participate in tournaments including those tournaments which are hosted in Whitewater. Parents and families are expected to volunteer for our hosted tournaments, the Dog Pound Classic, and Jr. Warhawk. The Club offers the tournaments in place of fundraising. Registration is available on-line by visiting www.wwparks.org

PARKS AND RECREATION

After School Program

The Whitewater Parks & Recreation Department is excited to start the 2022-2023 school year offering an After School Program. The program will run from the first day of school in Fall 2022 until the last day of school in the Spring 2023. The program will take place at LINCS Elementary, Lakeview Elementary, and Washington Elementary. This program is for afternoon 4K through 5th grade. **Enrollment will open July 1st online.**

*****Please note only 25 kids will be accepted to enroll in each Elementary School. NO enrollment fee will take place to secure your spot. All registration will take place online for a first come, first serve basis. You will be able to register for all days needed by quarters.**

Q: Am I required to attend every day of the week?

A: No. You may sign up for any and as many days as you would like. You will receive a calendar every month that you can specifically mark the days you wish to attend.

Q: How many staff are at the Whitewater Parks & Recreation After School Program?

A: We follow State guidelines and have at least a 10:1 child to staff ratio. There will also be two staff members every day even if there are less than 10 kids.

Q: Is this program State Licensed?

A: The After School Program follows all state guidelines but is exempt from mandatory licenses and does so as a courtesy to keeping the costs lower to participants

Q: What are the hours of the program and can I pick my child up early?

A: The after school program will start at the conclusion of school 3:00p.m. and conclude at 6:00p.m. You can pick up your child at any point of the program with one fee.

Q: This sounds great! Where do I sign up?

A: Visit wwparks.org and click on the After School Tab to print off forms or contact Michelle Dujardin at (262) 473-0121 or MDujardin@whitewater-wi.gov for registration options. Open registration will take place starting July 1st and will also be available at school registration in August. You must have all paperwork submitted before first day of attendance.

The “Need to Know”

Get ready for a GREAT summer!

Lunch: When the program takes place at the High School, participants will be encouraged to enjoy the free lunch program that will take place after summer school. If participants select not to utilize the free lunch program, please be sure to pack a brown bag lunch that doesn't need to be refrigerated. Participants will meet at the program room first and then enjoy lunch as a group. When the program takes place at the Armory Art Studio, please be sure to pack a brown bag lunch daily. This location does have a full size fridge for lunch storage.

Shoes: We walk...a lot...flip flops are great-sometimes shoes are a good thing, too.

Sunscreen: The kids will have it on them every day. It would be greatly appreciated if you would send a labeled bottle for your child. We lather it on as much as possible!!

Water Bottle: As often as possible please send a labeled water bottle with your child.

Innovators Kids Camp

Children are presented with fun indoor and outdoor activities, hands-on challenges that encourage creative problem solving, teamwork, and innovation. HOW DO I KNOW IF I'M IN A CLASS

Anyone who provides an email address will receive an email receipt confirmation of all programs registered for.

SATISFACTION GUARANTEE

You are important to us! Our department is committed to providing high-quality programs and services. If you are not satisfied with a class or program, please contact us. We will arrange for a transfer, refund, or credit. Trips are excluded from this reimbursement policy.

CLASS CANCELLATIONS

The Parks and Recreation Department reserves the right to cancel a class and make schedule changes when enrollment does not reach the minimum number. Notification will be made as soon as possible.

CHARGES, FEES AND REFUNDS

Fees are established with an attempt to standardize cost according to the number of sessions, facilities, equipment and supervision. Full refunds will be given when the Parks and Recreation Department cancels a class or makes a change in the class schedule.

LATE FEES!

Please read the deadline dates very carefully. A late fee of \$10.00 will be enforced and assessed to each person and to each program when registering after the registration deadline date.

RECREATION SUNSHINE FUND

The Whitewater Parks and Recreation Department believes in providing services and programs to all who wish to participate, regardless of financial status. A fund has been created to assist those who wish to participate in our programs but do not have the financial ability to do so. Applicants must live within the Whitewater Unified School District boundaries and approved applicants will need to pay half of the program cost. To apply, please request a copy of the application from the Parks and Recreation Department. All requests are confidential. Applicants need to submit a request form for each request. Applications will not be accepted for program registrations that have previously been processed and the approval will be based on the availability of funds in the Recreation Sunshine Fund.

RECREATION INCLUSION

The City of Whitewater proudly complies with the Americans with Disabilities Act and will make reasonable modifications to support inclusive recreation participation. For answers to your questions about recreation inclusion, call Michelle Dujardin at (262) 473-0121 or contact by email at MDujardin@whitewater-wi.gov

Adopt-A-Park

Whitewater Parks and Recreation added an Adopt-a-Park program in 2018. This program was created to give citizens an opportunity to volunteer in our city's parks. Their time spent doing maintenance, beautification, and preservation of our parks helps to provide a beautiful park experience for the entire community. Individuals, families, churches, business, and civic groups can all do their part to help maintain and improve our parks. This partnership also provides valuable communication and feedback between City and Volunteers which results in a park system for all to enjoy. For more information contact Eric Boettcher at eboettcher@whitewaterwi.gov or 262-473-0122.

LAKES DRAWDOWN AND DREDGING PROJECT

Lakes Drawdown and Dredging Project

The Lakes Drawdown and Dredge Project that began on July 8, 2019 is in its final phase this coming winter. With plans and specifications ready to go out to bid this fall the dredging phase of the project is scheduled to begin in January of 2022. Both lakes will remain drawn down through this entire process and will be refilled in early June of 2022.

The goal of this project is to improve water quality and depth, reduce aquatic vegetation and eliminate certain invasive aquatic plant species.

Please follow our website www.whitewater-wi.gov for more information as this exciting project begins.

SENIORS IN THE PARK

Seniors in the Park – Lifelong Recreation

Seniors in the Park is a lively and dynamic program in Whitewater whose mission is to promote and enhance a vital aging community. We welcome seniors, boomers and adults of all ages. We provide programs that challenge the mind, enhance physical well-being, create new connections, and are just plain fun. Activities take place at the Starin Park Community Building, 504 W. Starin Road, unless stated otherwise, and many are free of charge.

To get detailed information on activities and trips, and know when activities begin again, see the Park Bench newsletter, call 262-473-0535 or go to ourseniorcenter.com/find/seniors-in-the-park. The Park Bench newsletter is available at the Starin Park Community Building, Irvin L Young Library, Whitewater Aquatic Center, the Municipal Building and venues around town.

To register for activities, go to <https://schedulesplus.com/wwtr/kiosk/>, or email jfrench@whitewater-wi.gov.

Motorcycle Rides

We will be offering rides out of Starin Park through October. Proposed rides include: Hartford Auto Museum & Mine Shaft Restaurant, Fish Fry to Mount Horeb, The Grateful Shed in the Dells, fall apple ride, a Diner, Lake and Mushrooms ride, some Norwegian Heritage and Fermentation Fest! Riders must arrive prior to departure to show proof of insurance and fill out a participation form. Helmets are recommended. Check the Park Bench newsletter for upcoming rides or get on our email list.

Let's Paddle!

Watch the park Bench newsletter for our paddles starting in June. Meet at the boat launch west of Snug Harbor. You are welcome to paddle with a kayak, canoe or paddle board. Please check in and sign the paddle waiver before entering the water and wear a personal flotation device.

Pole Walking

Do you have poles and want to know how to use them more efficiently and effectively? Maybe you just want to see what they are or to vary your workout. You can increase your cardio workout by 20% and calorie burn by up to 48% more using poles! Lessen the impact on joints, naturally align your spine, and work your core. Poles provided or bring your adjustable poles.

Dementia Friendly Community Initiative

A Dementia Friendly Community is defined as one that is informed, safe and respectful of individuals with dementia and their families, provides supportive options, and fosters quality of life. Share your passion and commitment, making our community the best it can be. If you are interested in helping make Whitewater a Dementia Friendly Community, contact Jennifer at 262-473-0535. We currently meet monthly on the second Monday at 1:30 pm.

Dementia Friends: Changing the way people Think, Act and Talk about Dementia!

Dementia Friends is a campaign to tackle the stigma and lack of understanding around dementia. The one-hour Dementia Friends session helps you learn about dementia and the small ways you can help and interact. Call for days and times or schedule a time for us to come to your large or small group. It can be around your kitchen table with friends or your civic or church organization.

It is unlawful for any person to operate a bicycle within Indian Mounds Park. Motorized vehicles are not allowed on city trails.

AMPLIFICATION OF SOUND:

Use of amplification systems within the parks for the purpose of public entertainment must obtain a Public Entertainment Permit through the City Clerk's Office if said amplification system is not part of an authorized recreation program. It is the responsibility of the group using/reserving the facility/park to keep the noise level acceptable so as not to annoy or disturb the surrounding area of the park.

FIRES:

All fires must be contained within grills or designated cooking devices. Coals must be thoroughly extinguished and cooled prior to being placed in a trash receptacle.

ANIMALS:

Any person owning, keeping, or in charge of any animal shall not permit such animal to be in Indian Mounds Park or in any municipal buildings at any time. This will not be applicable in cases in which a person is being assisted by a service dog. Animals are permitted in all other municipal parks and open space. Owners are required to keep their pet on a leash and clean up after their animals and follow proper pet etiquette.

ARCHERY:

Archery is prohibited in all parks except as part of an authorized recreation program.

GOLF:

The use of golf equipment is prohibited in all parks.

SLOW-NO-WAKE AREAS:

Trippe and Cravath Lake are areas designated as slow-no-wake. This means that speed at which a boat moves as slowly as possible while still maintaining steerage control. This is to provide safe and healthful conditions for the enjoyment of aquatic recreation consistent with public rights and interests.

FIREWORKS:

Fireworks are prohibited except for programs that have obtained the necessary City of Whitewater permits for such activity.

CAMPING:

Camping is prohibited in all parks except by special permit of the Common Council. Tents and Trailers are allowed by permission of the Parks and Recreation Director.

LITTERING:

No person shall place or leave any garbage, paper or refuse in any park, except in a park container or receptacle provided. No person shall bring garbage, paper or refuse from outside a park and deposit it in a park receptacle or container.

MECHANICAL RIDES/DUNK TANKS:

Use of mechanical rides or dunk tanks within the parks must be approved with written permission from the Parks and Recreation Director.

VIOLETION OF THE ABOVE RULES IN REGARDS TO POSSESSION OF ALCOHOL IN PARKS SHALL BE PUNISHABLE BY FORFEITURE OF NOT LESS THAN \$150 NOR MORE THAN \$300 FOR THE FIRST OFFENSE AND FOR SUBSEQUENT OFFENSES, NOT LESS THAN \$200 NOR MORE THAN \$350 TOGETHER WITH THE COSTS OF PROSECUTION. VIOLETION OF OTHER REGULATIONS IS PUNISHABLE BY FORFEITURE OF NOT LESS THAN \$50 NOR MORE THAN \$150 TOGETHER WITH THE COSTS OF PROSECUTION. ANY VIOLATION MAY ALSO RESULT IN EXPULSION FROM ALL CITY PARKS FOR A PERIOD OF UP TO ONE YEAR. IN ADDITION TO THE RULES AND REGULATIONS LISTED ALL CITY, STATE, AND FEDERAL LAWS APPLY.

WHITewater BARK PARK!

Come and visit our dog park located on the northwest corner of Jefferson Street and Starin Road. The Bark Park offers dog enthusiasts an upgraded facility for their pets to enjoy. The Bark Park features a small/medium dog area and a large area for all dogs. There is a parking area with room for 10 cars along with one accessible parking spot that leads up to an entry gate area. From there you have the option for the all dog area or the medium to small dog area. The park is open daily during normal park hours of 6am-12am. Time to make plans to visit the new site and let your K-9 friend enjoy their off leash experience.

The City has a sponsorship and donation program to help us continue to make improvements to our dog park. If you would like to donate to the dog park please contact Parks and Recreation Director Eric Boettcher at eboettcher@whitewater-wi.gov or call 262-473-0122.

Whitewater Common Council

The City of Whitewater operates under the City Manager form of government with a seven-member Common Council. The City Manager plans and directs the administration of the City to ensure that efficient municipal services are provided and are in line with Common Council objectives. Council Members are elected each April to serve two-year terms. There are five aldermanic district council positions and two councilmember-at-large positions. Odd number district seats are up for election in odd years; seats for even-numbered districts are up for election in even-numbered years. One council member-at-large seat opens each calendar year. The Common Council meets on the first and third Tuesdays of each month at 6:30 p.m. in the Community Room of the Municipal Building located at 312 W. Whitewater St., Whitewater, WI 53190 (meetings can be virtual, too). However, if there is an election scheduled on a council meeting Tuesday, the meeting is rescheduled for the Thursday following the regularly scheduled meeting.

NEIGHBORHOOD SERVICES & DPW

Neighborhood Services

312 W. Whitewater St., Whitewater, WI

(262) 473-0540

www.whitewater-wi.gov/236/Neighborhood-Services

The City of Whitewater Neighborhood Services Department handles construction and building permits, planning for the city, and neighborhood code enforcement. In an effort to keep Whitewater beautiful, Neighborhood Services would like to remind residents of certain rules, guidelines and services.

Make sure you are living legally

How many non-family household members can I have in a single-family house? If you are in an R-1 or R-2 Zoning districts anywhere in the city you can only have 3 unrelated non-family household members. If you are in the R-3 Zoning anywhere in the city you cannot have more than 5 unrelated non-family household members. For more information, please contact the Neighborhood Services Director at 262-473-0143.

Don't skip the permit

Make sure your project is in full compliance with codes. For more information call the Neighborhood Services Department at (262) 473-0540 or visit the City of Whitewater's website at <http://www.whitewater-wi.gov/department/neighborhood-services>

Grass Length

Grass length should not exceed seven (7) inches in height Sections 11.56.010(4) and 11.56.010(5) of this title.

Disposal at 262-473-4700 or the Public Works Department at 262-473-0560.

Month of May Bulk Pickup

For the month of May, Johns Disposal will perform bulk pickup on every Thurs. throughout the City. As with other bulk pickup days, please do not put items out for collection earlier than 4 p.m. on the Wednesday prior.

Bulk Trash Pickup – Code Enforcement

Bulk pickup is scheduled on the **second Thursday of the month**. This service is provided to dispose of old couches, beds, dressers, etc. There is no charge, just leave the items at the curb for collection **after 4:00 p.m. of the day before the collection day**. The City will be enforcing these guidelines and NO warnings will be given.

Refuse and Recyclables Collection

- (a) Any person who violates any provisions of this chapter shall be subject to a penalty of not less than \$10.00 and not more than \$250.00 for a first offense, and on second and subsequent offenses not less than \$50.00 nor more than \$250.00, together with the cost of prosecution.
- (b) If any such owner, occupant or person in charge refuses or fails to comply with the provisions of this chapter, the city manager or his/her appointed designee, may remove such items and the cost thereof shall be charged at a rate of time and materials as established by the department of public works, with a minimum charge of \$25.00, or contract with a private contractor to have the items removed. The cost of such removal shall be reported to the city finance department in writing with a description of the premises, and such charges if unpaid, shall become a lien on the property against which it is imposed. The delinquent charge shall be included in the current or next tax roll and settlement under Chapter 74.

If you would like bulk items removed prior to a Bulk Trash Pickup date (second Tuesday of the month), call Johns Disposal at (262) 473-4700 to schedule an appointment. Remember to ask John's about the cost associated with a special pick up.

Electronic Recycling

The City has contracted with a private firm to supply Electronic Recycling for the City. The first date will be Saturday May 21, 2022 with a follow up date on Saturday, September 17, 2022. Both locations will be in Lot B which is located south of Whitewater Street and east of Fremont Street (parking lot for the Cravath Lakefront). The majority of items are free to recycle; however, there will be a small charge for TVs, computer tube monitors, microwaves and exercise equipment. Scheduled times for both days are from 9:00 am to 1:00 pm. Please watch the website for additional information.

PUBLIC WORKS (DPW)

262-473-0560 • www.whitewater-wi.gov/222/Public-Works

The Public Works Department is responsible for the operation and maintenance of water and sewer service, water quality, maintenance of vehicles, streets, facilities, parks, and many public projects.

Garbage and Recycling Pickup

John's Disposal is contracted by the City to supply trash, recycling and bulk pickup (old couches, dressers, beds, etc.). Trash pickup is on Thursdays, while recycling days are every other Thursday. Bulk pickup is the second Thursday of the month. Toters may not be set out earlier than 4 p.m. on Wednesdays and must be removed before 9 a.m. on Fridays. If containers are left out there will be a \$25 fee charged. For more information, or to arrange special trash pickup, call John's

Streets/Forestry

The Streets Department maintains the upkeep of all City owned streets, sidewalks, street lights, signal lights, street signage, City owned parks including all entities associated within all parks, all maintenance of City owned trees along with making sure our stormwater system is maintained and is in operation that meets or exceeds state and federal regulations.

Brush Collection

The City collects brush every Tuesday. Residents are asked to call the Public Works Department at 473-0560 to schedule a pickup. Appointments must be made prior to the Tuesday a.m. collection so route scheduling can be completed.

COLLECTION FEES: Brush located at the curbside will be collected and chipped. The first 10 minutes of chipping will be free of charge if an appointment has been received. Any chipping after the first ten minutes will be charged to the property owner at a rate of \$30.00 per ten-minute increments.

COLLECTION PROCEDURE: Brush must be brought to the curbside and placed with the cut ends facing the street. Brush cannot be brought to the curbside before 4 p.m. on the Sunday prior to the scheduled Tuesday for collection. **Brush must be at the curb by 6 a.m. on Tuesday.**

BRUSH TO BE ACCEPTED OR NOT ACCEPTED: Brush must be a minimum of 3/4" and a maximum 6" in diameter. The brush must be a minimum of 3 feet in length. Vines, rakings, roots, and root balls will not be accepted. Property owners can dispose of vines, rakings, roots, and root balls at the compost site. The City reserves the right to not collect brush for just cause. You may also submit a Brush Collection request at <https://www.whitewater-wi.gov/RequestTracker.aspx>

Tree Trimming

If you have a tree that is hazardous, diseased or dead within the public road right-of-way, contact the Public Works Department for removal at 262-473-0560. There is no charge for this service. You may also submit a tree-trimming request at <https://www.whitewater-wi.gov/RequestTracker.aspx>.

Are you unsure whether a tree belongs to the City or you? City owned trees are located in the terrace, which is the area between your sidewalk and the curb. However, there are many areas in the City of Whitewater that do not have sidewalks. If you are in that situation, please call the Forestry Department at (262) 473-0560 and they will determine if the tree belongs to you, or the City.

Per the City's Municipal Code, it is a violation for anyone, other than the City, to remove a City tree. Violators can be fined and charged replacement costs to have the tree replaced!

Compost Site

The compost site is available to City of Whitewater residents only. It is located at 599 N. Jefferson Street. Residents may bring yard waste to the site for disposal. The compost site will open when the weather allows in late March/early April. The compost site is open

on Wednesdays from 3 p.m. to 7 p.m. and Saturdays from 8 a.m. to 2 p.m. In the fall, the hours are 2 p.m. to 6 p.m. on Wednesdays due to shortened daylight hours. Residents are required to empty the yard waste from any container used in the transportation of the yard waste and take the container(s) home. Residents can also help themselves to composted material or wood chips at the site. Residents must load their own compost or wood chips. The City will provide a loader for loading chips and compost into resident's trailers and trucks on the first Saturday of every month until the site closes for the season. Please allow enough time to unload and exit the gate before the posted closing time.

Leaf and Yard Waste Collection

Leaf and yard waste collection is collected in the spring and fall each year. Collection dates for fall of 2021 are the week of October 25, November 8 and November 15. A dumpster will be available at the City garage between November 22 and December 3, during normal business hours, for residents who miss the November 19 deadline. Spring collection will be dependent on weather conditions. Yard waste must be bagged in clear or transparent bags only. The City offers Bio-Bags in the fall only and are available in the Finance Department free of charge while supplies last. Yard waste will not be collected if not properly bagged or placed in non-transparent or black bags. Please place your bagged yard waste by the curb on the first Monday of collection. Brush will not be collected as part of the yard waste collection. For more information, visit the City's website at www.whitewater-wi.gov.

Winter Parking Hours

On-street parking is prohibited when snowplowing or snow removal operations are in progress. 11.16.020

(a) It is unlawful for the operator or owner of any vehicle to park the vehicle on any street in the city between the hours of 2 a.m. and 6 a.m. on any day from November 1st of each year to March 31st of each year, except as hereinafter provided:

- (1) Physicians and surgeons shall be permitted to park vehicles at any time when the physician is on an emergency call.
- (2) Parking shall be permitted in the downtown parking area after 5 a.m. of such period; and
- (3) By special advance arrangement with the Director of Public Works, 262-473-0139.

(b) Any person who violates the provisions of this section shall be subject to the penalties and provisions set forth at Sections 11.56.010(4) and 11.56.010(5) of this title.

Removal of Snow and Ice from Sidewalks

The owner, occupant, and person in charge of any building or lot fronting upon or adjoining any sidewalk shall remove all snow and ice from the sidewalk no later than twenty-four hours after a snow or ice event. The fee for our City crew to remove snow/ice is a minimum of \$100. For more information, visit the City's website - Code of Ordinance 12.20.020 - Snow and ice removal required.

NEIGHBORHOOD SERVICES & DPW

Storm Water Catch Basins

Fines and/or penalties will be imposed on those who are caught unlawfully dumping any substance into storm water catch basins. Substances like household chemicals, grass clippings, leaves, fertilizers, insecticides, automotive fluids, oils, paints, pet waste and commercial waste are prohibited. Anything dumped into the storm water catch basins travels through storm drains to local streams and rivers. These pollutants harm water quality and can kill aquatic life. Residents are encouraged to report illegal dumping by calling the Public Works Department at 262-473-0560.

Become a Storm Water Drain Protector

The City of Whitewater is part of the Rock River Storm Group (RRSG), a group of surrounding communities committed to improving the health of the Rock River and other local waterways. As part of this effort, we have teamed with a marketing group from UW Whitewater who helps the RRSG get the word out on activities to protect Wisconsin Waterways. One such activity is to become a Storm Drain Protector. By becoming a Storm Drain Protector you agree to help prevent pollution from reaching storm drains by keeping the area around the storm drains free of debris and pollutants. To sign up to be a Storm Drain Protector, or to find out about other activities and chances to win prizes go to www.protectwiwaterways.org.

Wastewater Department

The Wastewater Utility returns all consumed water within the City of Whitewater back into the environment in a responsible fashion that meets or exceeds State and Federal regulations. In order to do so, utility staff is tasked with maintaining and operating the public conveyance system or the "collection system" along with the treatment facility and its associated programs.

Coping with a Sewer Backup

If you experience a sewer backup Monday through Friday, between the hours of 7:00 a.m. - 3:30 p.m., call the Wastewater Utility at 262-473-0560. If outside of these hours, please call Police Dispatch at 262-473-0555, option 4. We will dispatch a maintenance crew to your address and determine if the blockage is in the public system or your private line (sewer lateral). If the sewer main is found to be clear, it is the responsibility of the property owner to correct the problem. The City cannot recommend a plumber; however, a list of area businesses that provide this service is available. We do recommend residents obtain multiple quotations and check references prior to having the work done. If the blockage is in the City system, we will fix it as quickly as possible and keep you informed about what is being done.

Sanitary Sewer and Water Lateral Responsibility

If a failure occurs in the sanitary sewer or water lateral, between your home and the public utility connection, it would be your

responsibility, as the homeowner, to pay for any repairs. The public connection for sanitary sewer laterals is at the sanitary sewer main, typically in the middle of the street. The public connection for water laterals is at the water shut off valve, typically near the sidewalk area. We recommend residents communicate with their homeowner insurance carrier to learn more about coverage options.

No-Fault Reimbursement Policy

No-Fault Sanitary Sewer Backup Damage Reimbursement Policy. The purpose of the policy is to provide a method for assisting homeowners with the financial burden of a sewer backup, which resulted from a condition within the City's sanitary sewer system or lines, even when the City is not legally liable for the resulting damage. The City of Whitewater will provide up to \$7,500 for residents to assist with clean-up costs, property damages and mechanical equipment essential to the habitation of the residence irrespective of whether the city is legally liable. Included in the \$7,500 limit is reimbursement of personal property and/or possessions up to \$1,000. The program has an annual aggregate limit of \$30,000 per all occurrences. Please note the policy has a maximum of \$7,500. Homeowners should check with their homeowner's insurance provider to see if they are covered or if additional protection can be purchased. More information on this policy can be found at: <https://www.whitewater-wi.gov/DocumentCenter/View/334/No-Fault-Sanitary-Sewer-Backup-Damage-Reimbursement-Policy-PDF>

Potholes

The City anticipates pothole issues on streets when the weather warms and the ground begins to thaw, typically in late March or April. However, potholes can happen throughout the year. To report a pothole, residents should contact the Public Works Department at 262-473-0560 or submit a web site request at <https://www.whitewater-wi.gov/RequestTracker.aspx>. Thank you for your patience and drive safely!

No Wipes Down the Pipes

Even if a product says it is flushable, do not flush it down the toilet. Only toilet paper should be flushed! The following items should be placed in a trashcan: flushable/disposable cleaning or baby wipes, paper or cloth towels, any type of rags, feminine hygiene products and facial tissues. Putting these items down toilets may plug sewers and cause raw sewage to back up into your and your neighbors' homes.

Help Us Maintain Healthy Pipes

Grease Concerns - In order to maintain reliable sanitary sewer services for public health and safety, grease should never be put down pipes. Grease and sand can settle out and possibly solidify as it would in a pot or pan in your household. Over time this causes the sanitary line (your private line or the public mainline)

to become smaller and smaller. The result is a blockage in the line, which will result in sewage in your home, business, your neighbors' home or overflowing the system into the environment.

Clean Water Concerns

Roof drains, sump pumps, and/or foundation drains connected to the City's sanitary sewer system is illegal. These cross connections send groundwater or rainfall to the Wastewater Treatment Plant, consuming valuable treatment capacity. Please familiarize yourself with your house plumbing system. You may be contributing to the problem if you have roof downspouts that are piped underground, a sump pump that has no identifiable discharge point, or foundation drains that do not discharge to a low point on your property. Residents must disconnect unlawful connections to the sewer system. You may contact the Public Works Department at 262-473-0560 to find reasonable alternatives.

Drug Drop Box

A prescription drug box is conveniently located in the Fremont Street foyer of the Whitewater Municipal Building at 312 W. Whitewater St. and is accessible during normal business hours. This is in place to encourage the proper disposal of medical and prescription waste. This free service is available to all residents of Whitewater. Most medical substances cannot be removed through normal water-treatment processes. If not disposed of properly, this would result in the discharge of substances into the environment.

New Water Tower

Construction of the new water tower is well underway. It is located on the south side of Highway 12, just east of Indian Mound Parkway. Construction is scheduled to be completed in October, 2022.

Once the water tower is completed and put in to service, the existing Starin Park water tower will be taken out of service. The Starin Park water tower is over 120 years old and while it has served the residents of the City of Whitewater without issue, it is well past its expectant useful life. At this time, there is no plan to demolish the historic Starin Park water tower.

Street Improvements

E. Main Street from Newcomb Street to Bluff Road will be reconstructed this summer. Construction will consist of replacing sanitary sewer, sanitary forcemain, watermain, and storm sewer. New curb and gutter and asphalt pavement will be installed. The sidewalk on the north side will also be replaced. The construction will

also include some underground work and new asphalt on East Street and also Oak Street, from Main Street to Chicago Street. E. Main Street will be closed to thru traffic. Residents along E. Main Street, Oak Street and East Street will have access during construction.

Yoder Lane from Hyer Lane to the west will be reconstructed this summer. Construction will include new sanitary sewer, watermain, storm sewer, curb and gutter and asphalt pavement. New sidewalk will be installed on both sides of Yoder Lane. Yoder Lane will be closed to thru traffic during construction. Residents along Yoder Lane will have access during construction. There will be work in the Yoder Lane/Hyer Lane intersection which will cause the intersection to be closed intermittently during construction. As part of this project, a small section of sidewalk on Salisbury Lane will also be installed.

The concrete section of Janesville Street from Walworth Avenue to the railroad tracks will have a new driving surface installed over summer. The concrete joints will be cleaned out and patched and asphalt pavement will be placed over the existing concrete to improve the driving surface.

P3 Tips Anonymous Tip System

The Whitewater Police Department is partnering with Walworth County Crime Stoppers to provide an easy and secure option for submitting anonymous community crime tips. Community members can access P3 Tips via their web site at <http://www.p3tips.com> or by downloading the app from the App Store or Google play. Tips are still welcomed through the Crime Stoppers hotline by dialing 262-723- 2677. Tips submitted through the P3 Tips sophisticated encryption processes obscure any and all identifying information and provide assured anonymity for tipsters.

Animal Control

Animal owners must have their dogs and/or cats under voice command or on a leash. If your animal is at-large it will be impounded at Lakeland Animal Shelter. Dogs must be licensed through the City of Whitewater. Licenses may be purchased at the Finance Department. Animals which habitually bark or cry are prohibited. Citations can be issued for noncompliance of these ordinances.

Lost/Found Property

Individuals seeking lost/found property must come to the Whitewater Police Department Monday through Friday, 8:00 am to 4:30 pm, and be prepared to present either written documentation or give a verbal confirmation of ownership.

Selling Alcohol

It is against the law to charge for alcoholic beverages at the door of a party, charge for alcoholic beverages in a package deal (such as providing beer with dinner, selling cups to fill with free beer or charge for a band or other entertainment and “give away” the alcohol, etc.) or to be frequenting a place of illegal activity such as a party where alcohol is being served illegally.

Guideline for Parties & Special Events

The following is a list of suggestions for all Whitewater residents regarding hosting parties:

- Visit surrounding neighbors, be friendly, and make sure they know a couple of days in advance that a party will occur.
- Ask guests to respect the neighbors. The host is responsible for the condition of the neighborhood after the party.
- Do not advertise alcohol-related parties to the general public.
- Monitor your party. Keep it under control and make sure that volume levels do not cause a disturbance.
- Do not sponsor large open parties which tend to get out of control.
- Do not allow underage drinking.
- Do not carry open containers of alcoholic beverages beyond your private property. This is illegal in Whitewater even if you are over 21 years of age.
- Do not let anyone drive home under the influence of alcohol.

HUMAN RESOURCES

The City of Whitewater offers a number of career opportunities in over 50 job classifications within a total of 15 departments. The City announces job openings to the general public through our website, www.whitewater-wi.gov. We only accept ONLINE applications and only accept applications for current openings. Free computer access is available at the Irvin L Young Memorial Library for applicants who do not own a computer.

WHITEWATER FIRE DEPARTMENT INC.

The Whitewater Fire Department, established in 1871, provides fire protection and emergency medical services for the Whitewater community.

If you have an interest in being part of a 150-year tradition and serving the Whitewater community, apply to be a firefighter or emergency medical technician (EMT) today. Applications can be found at the Recruitment page of the Whitewater Fire Department website, <https://www.whitewaterfire.org>.

WATER DEPARTMENT

The Water Utility is responsible for the daily operation, maintenance, repair and construction of wells, pumping operations, water mains, water storage vessels, hydrants and metering for the City's potable water system all while meeting and exceeding State and Federal regulations in an environmentally friendly manner.

Utility Billing

For questions regarding your bill, property ownership/address changes, or a final meter reading, contact the Utility Billing Technician at 262-473-1383.

Utility Bill Pay

Utility payments can be made online or over the phone at no charge through our third-party processor PSN—Payment Service-Network. Go to www.whitewater-wi.gov/department/finance and click on the PSN logo. Login or if you are a first-time user you will need to create an account. Your Utility Bill account number will be needed to set up your account. It will take 24 hours to load your billing information and history. We also offer an IVR (pay by phone) service at (877) 885-7968 option 1. Utility bills may also be paid in person at City Hall at the Finance/Utility window, by mail (City Hall, Municipal Building, Utility Billing, 312 W. Whitewater St., Whitewater, WI 53190), or put in the payment drop box. The drop box is located near the front entrance of City Hall.

Mobile App

PSN now has a mobile app for android and iPhone. Visit the Google play store or iTunes to download the free mobile app. Search for "PSN Payments".

Hydrant Flushing

The City's water main and hydrant flushing program takes place each spring and fall. Flushing of the water mains is necessary in order to continue to deliver clean, safe water to our citizens. Flushing of the water mains and hydrants can cause some discoloration in the water. Caution should be exercised in washing of white clothing. Discoloration in the water due to flushing WILL stain white clothing. We notify the public by using all local media; therefore, we cannot be responsible for stained clothing. If discoloration is detected, run the cold-water faucet until the discoloration clears. If reduced pressure is experienced after flushing, you may have to clean the aerators on your house faucets. If you have any questions, please contact the Water Utility at 262-473-0560.

The valve on the street side of my water meter is leaking. Will the City repair it?

The City maintains the water line within the public road right-of-way and the meter itself. The rest of the system is the responsibility of the homeowner. The City does not provide repair service. The Utilities Division will shut off the water at the curb box if needed for a repair.

In an emergency situation, call the Water Works Department at 262-473-0560 or, if it is an evening or weekend, the Police Department at 262-473-0555, option 4 so a maintenance worker can be dispatched to shut off your water. If your repair is not an emergency, please call the Water Works Department at least 24 hours before the repair is to be made to schedule the water shut off.

The curb box will be located ahead of time and checked for operability. A maintenance worker will meet with you or your representative at the scheduled time to shut off the water.

Discolored Water or Unpleasant Odors

Iron and manganese, which occur naturally in well water, can cause a rusty color. The City has pressure iron filters at the source to remove iron. It is not harmful. Run your water until it clears.

An unpleasant odor (usually described as smelling like rotten eggs) is almost always a problem with the water heater. A heating anode in the unit may be the culprit. Consult your plumber.

Snowbirds: Winterize Your Home When You're Away

If you are a snowbird heading south for the winter, there are several key things you can do to help protect your water supply in your home. One is to consider completely turning off your water supply if you will be away for an extended period of time. Contact the Water Utility at 262-473-0560 for more information on this option. Otherwise, make sure to keep your home and plumbing warm if your water supply stays on during the winter months.
